Suzanne and Martin – Return message from Sunnyside on meeting next Wednesday at 9:00 am.
If that is still good, I will confirm that back with Nathan.

At this point, I am expecting it will just be you two and I meeting with them and I will confirm who will be here from Sunnyside.

Do we want to meet downstairs or in one of your conference rooms?

Thanks

Richard,

How about Wednesday at 9:00 a.m.?

Also, I understand that the technical folks are having a call tomorrow morning to see about expeditiously addressing some of the key issues in the EPA work plan comments. Sunnyside would really like to get going on the Mayflower drilling / sampling next week as scheduled with its contractors and I hope the call will facilitate this outcome.

Thank you,

Nathan
